

INTERNSHIP PHOTOGRAPHER

for Misterchrono

Job Description

MisterChrono is a French company that has been founded ten years ago in Paris by 3 partners and friends. The concept is to market manufactured and high-end quality products relating to watchmaking and luxury watches to a wide range of people.

MisterChrono mainly promotes goods issuing from small and middle companies. Our leitmotiv, our belief is : « offering beautiful and special things for everyone » !

That's why we work with manufactures and workshops all around the world in order to propose every day, very specific and sometime, unique goods and products.

MisterChrono's expertise already allowed us to open its first store in Paris, based in Paris-Vendôme next to Place Vendome, the heart of luxury goods (watches and jewelry). In July 2015, a new store in Hong Kong TST is opened and followed by Singapore in April 2016 and Hong Kong Central in August 2016.
